RISE

WEEKLY BULLETIN

JULY 10, 2020

Rapid Immunization Skill Enhancement (RISE) is a complementary capacity building package to strengthen the ongoing training of frontline health workers engaged in routine immunization under Universal Immunization Program of Government of India. This user-centric model optimally leverages the high technology (mobile phone, internet) penetration among the health workforce and effectively uses a digital training content supported by a face-to-face component of mentoring by supervisors. The digital part is primarily self-learning through an objective focused content based on adult learning principles that engages the learners through a variety of audio, animated visuals, reading and interactions like learning games and quizzes. It also has a provision of objectively assessing the learning and certification to make it more attractive to the learners. An open source Learning Management System (LMS) has been custom made to manage and deliver this digital content and provide a real-time monitoring dashboard which enables problem-solving and mentoring by supervisors. The dashboard is the basis of this weekly bulletin on RISE update.

Go-Live Dates

MODULE 1: Immunization Schedule & Session Management
(MARCH 1, 2020)

MODULE 2: Injection Safety & Vaccine Administration
(APRIL 1, 2020)

MODULE 3: Principles of Cold Chain Management
(MAY 1, 2020)

MODULE 4: Adverse Events Following Immunization
(JUNE 1, 2020)

NFW

MODULE 5: Communication to Tackle Vaccine Hesitancy
(JULY 08, 2020)

TOTAL NUMBER OF LEARNERS

DISTRICT, STATE	NO. OF TARGET LEARNERS
SHIMLA, HIMACHAL PRADESH (HP)	285
PUNE, MAHARASHTRA (MH)	1172
BHOPAL, MADHYA PRADESH (MP)	258
KHORDHA, ODISHA (OD)	404
KANCHEEPURAM, TAMIL NADU (TN)	468
TOTAL	2587

Riveting Bytes

WhatsApp groups created at each block in the districts play vital role in dispensing two-ways communication and facilitate RISE learning. The learners in the groups not only share their joy of completing the modules but also find it a platform to resolve their queries, troubleshooting and give suggestions as well!!

"These learners are yet to complete the RISE module" (circulating the list of learners who did not complete the module). Monitoring through WhatsApp (BMO, Block Tikkar, District Shimla, Himachal Pradesh)

"For some time, I have been observing that the person shown in red zone are very much consistent (not moving out of red zone) in their performance. Kindly decide on your own whether you are good performers or bad (in response to learner's performance shared by STO. *Monitoring through WhatsApp (BMO, Block Tikkar, District Shimla, Himachal Pradesh)*

"The course is not progressing further" was asked by an ANM on the WhatsApp group. The Program Manager replied that she has to complete the module 2 first and then she can start Module 3. Resolving query through WhatsApp. (LHV, Block Haveli, District Pune, Maharashtra)

Highlights !!

- Module 5 went live in all five languages successfully on 08 July 2020.
- Maharashtra had a good start in this module. The first learner to complete the module and a large chunk of early completions on the first day were from Maharashtra.
- Odisha hast the highest proportion of gold certification across the modules.
- Mod 3 & 5 show the highest proportion of gold certificates among the modules
- Higher knowledge gain (gap between Pre and Post test score) is observed in Module 2 & 3

Congratulations

The first block across all states to have 100 % Completion of all five modules is

Block Jatani,
District Khordha, Odisha

Followed by
Block Chirgaon,
District Shimla, Himachal Pradesh

We Appreciate the Leadership!!

Stories from Field

RISE is "Innovative way to update RI Information

Smt. P. Nagalakshmi, VHN, HSC Nemali
PHC Sembakkam, Block Thiruporur,
District Chengalpattu, Tamil Nadu

Nagalakshmi, 53 years old veteran VHN of 30 years of service received the training of RISE in the month of February 2020 at the Egmore training centre.

She is elated with the recognition of the first learner to complete the Module 5 in the state. She said she was waiting for the Module 5 roll-out and the moment she found it live, though it was the wee hours of the day, she started and completed it within two hours. She says that during the day time she has to meet her responsibilities assigned as a VHN as well as tasks assigned due to the COVID pandemic. Hence, she prefers the wee hours when there is lesser disturbance and receive continuous internet connectivity which helps her to complete the course with better understanding and knowledge gain. After completing the Module 5 and receiving silver certificate, she went to serve the community as well as regular reporting for the month carrying an internal happiness which was created by self at the cost of some sleep and rest in the night.

Earlier, she had also completed previous modules on the very day of roll-out which makes her happy and gives a sense of achievement

According to her, ***RISE has helped her in acquiring new information on the topics and polished her knowledge on the same***.

She says "***it is an innovative way of helping field staffs to keep them updated on the information related to routine immunization***."

Learners Scored 100 % marks in "Post Test" in "All Five Modules" this Week

Bhopal, Madhya Pradesh
Ms. Anguri Dangi, ANM, Berasia
Ms. Monika Sahu, ANM, Berasia

Khordha, Odisha
Ms. Mamina Sahoo, Haladia

Pune, Maharashtra
Ms. Dhumal V.S, Ambegaon
Ms.Kalpana Popat Budhawale, Indapur
Ms. Mangal Baban Kharade, Junnar

We Congratulate all these Learners!!
