

WEEKLY BULLETIN

APRIL 24, 2020

GO-LIVE DATES

**MODULE 1:
IMMUNIZATION
SCHEDULE & SESSION
MANAGEMENT**

(MARCH 1, 2020)

**MODULE 2:
INJECTION SAFETY
& VACCINE
ADMINISTRATION**

(APRIL 1, 2020)

Rapid Immunization Skill Enhancement (RISE) is a complementary capacity building package to strengthen the ongoing training of frontline health workers engaged in routine immunization under Universal Immunization Program of Government of India. This user-centric model optimally leverages the high technology (mobile phone, internet) penetration among the health workforce and effectively uses a digital training content supported by a face-to-face component of mentoring by supervisors. The digital part is primarily self-learning through an objective focused content based on adult learning principles that engages the learners through a variety of audio, animated visuals, reading and interactions like learning games and quizzes. It also has a provision of objectively assessing the learning and certification to make it more attractive to the learners. An open source Learning Management System (LMS) has been custom made to manage and deliver this digital content and provide a real-time monitoring dashboard which enables problem-solving and mentoring by supervisors. The dashboard is the basis of this weekly bulletin on RISE update.

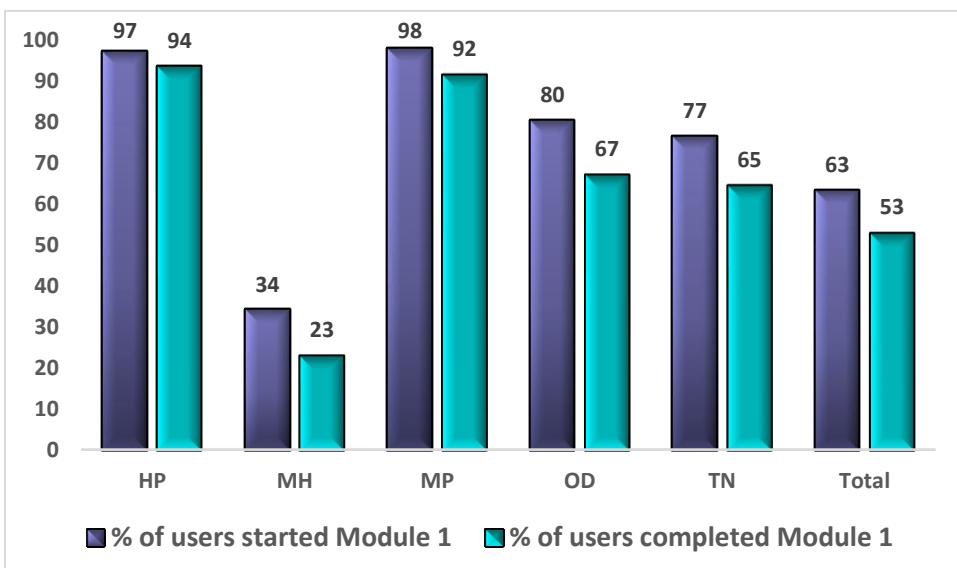

TOTAL NUMBER OF LEARNERS

DISTRICT, STATE

NO. OF TARGET USERS

SHIMLA, HIMACHAL PRADESH (HP)	285
PUNE, MAHARASHTRA (MH)	1101
BHOPAL, MADHYA PRADESH (MP)	261
KHORDHA, ODISHA (OD)	414
KANCHEEPURAM, TAMIL NADU (TN)	468
TOTAL	2529

PERCENTAGE OF LEARNERS – STARTED AND COMPLETED

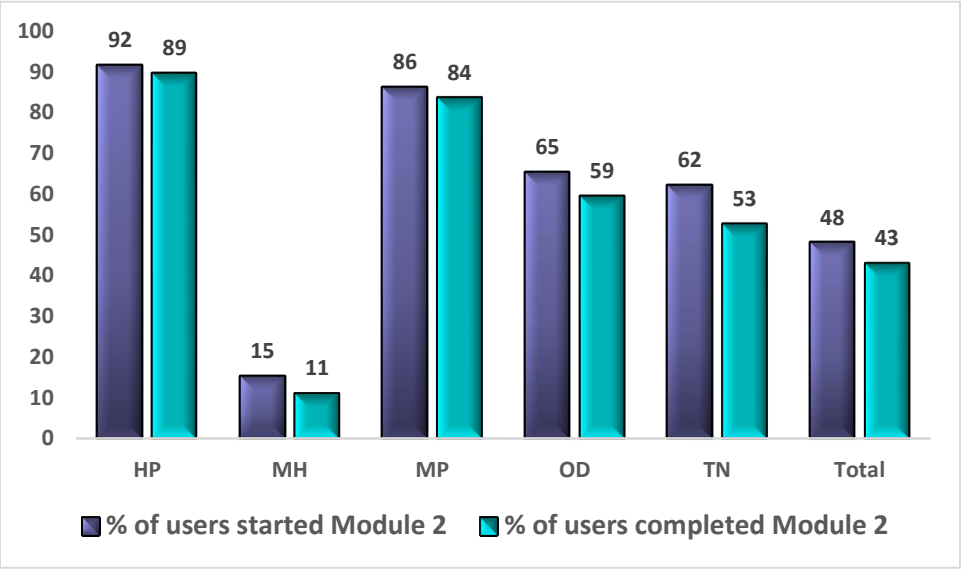

✓ 63 percent of the users have started the training on Module 1 while 53 percent have completed it.

✓ Almost all learners in MP and HP are near completion of Mod 1. Tamil Nadu and Odisha are also showing good achievement

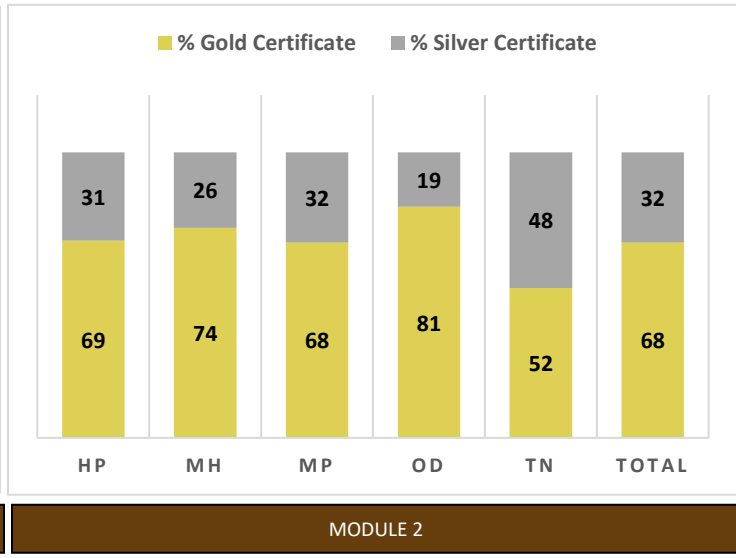

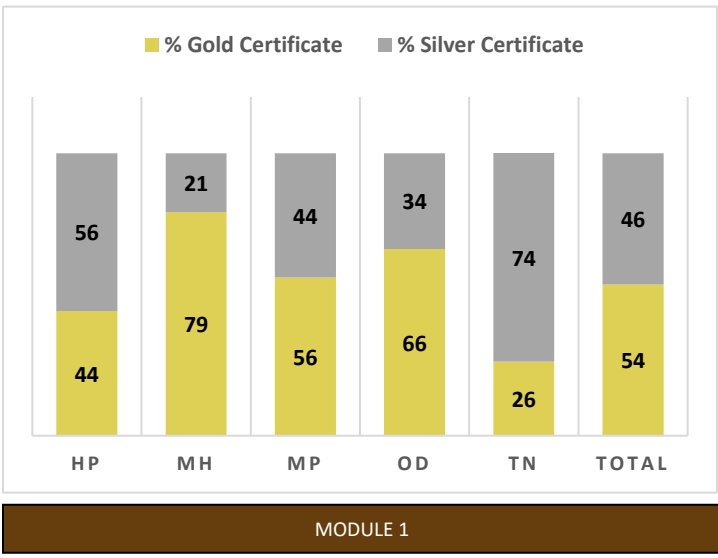

PERCENTAGE OF LEARNERS – STARTED AND COMPLETED

✓ 48 percent of the users have started the training on Module 2. 43 percent have completed it.

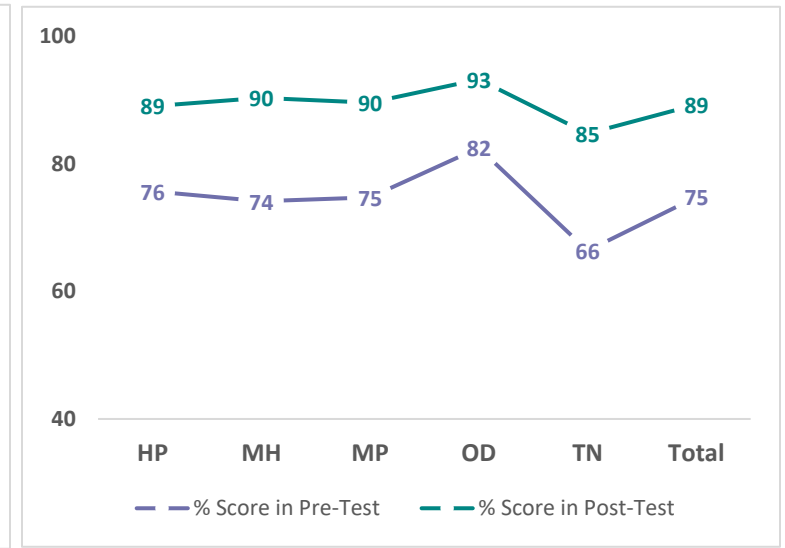

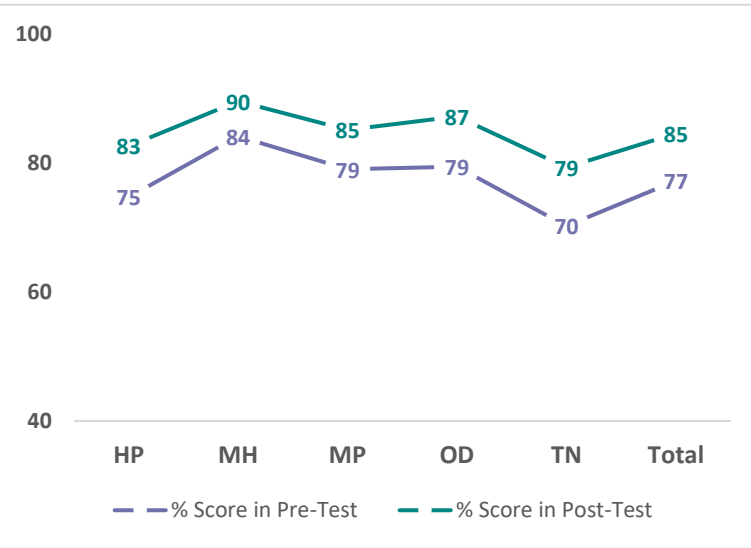

✓ HP is near completion of Module 2, while MP is following closely. Odisha and TN have also crossed the midway mark

PERCENTAGE OF LEARNERS – TYPE OF CERTIFICATE GENERATED

AVERAGE PERCENTAGE OF PRE AND POST TEST SCORES

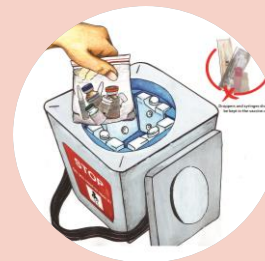

Some key findings

- Gain in knowledge is quite evident from pre-test & post-test marks comparison. The gain is more in Module 2.
- Majority of learners pass the assessment in 1st attempt
- Proportion of Gold certificate has improved in Module 2 in 4 states - HP, MP, OD & TN
- Rate of completion has relatively slowed down after 15th of the month.

Upcoming Module

PRINCIPLES OF COLD CHAIN MANAGEMENT

This Week's Highlights

"Technology that works tends to survive"

Mrs. Kamini Chourasia,
Block Zone 2
District Bhopal, Madhya Pradesh

Mrs Kamini is a senior ANM from Bhopal with more than 30 years of experience. She has completed both the modules within a day of their roll-out and has accomplished a "Gold Certificate" in Module 2.

She found the application very useful and was so impressed with it that immediately after completing Module 1, she told to her supervisor *"Sir, NBSU ki training bhi isi app par kara dijiye taki new born ke khatron ko pehchana ja sake"* (Sir, our training on NBSU should be done in the same way so that we can easily identify the risks in the new born)

RISE is complementing the regular trainings on immunization. Such technology is easily scalable and adaptable as it is very user friendly and need minimum hand-holding support. It can be tapped in other areas as well, to update the frontline functionaries with the latest advancements.

Congratulations!

Blocks with 100 percent completion of
Module 2

Block Kotkhai, Sunni, Tikkar and Nerwa

District Shimla
Himachal Pradesh

Block Baliana

District Khordha
Odisha

Block Parandur

District Kancheepuram
Tamil Nadu

We appreciate the leadership!
